Expanding Access to Capital for Businesses.

Carolina Small Business Development Fund and the Durham Small Business Advisory Committee offers an accelerated program for small business owners seeking financing. This unique program greatly improves the probability of accessing capital. Participants will develop a comprehensive loan package, get a chance to practice pitching to lenders and then when they are ready, meet privately with a variety of lenders.

Meeting the capital needs of existing businesses.

Participants must agree and commit to completing each phase of the program and must apply and be selected for the program.
